Published online: 26 April 2024.

Nursing Communications published an article entitled The construction and practice of humanistic care teaching model based on 5C care theory on 26 April 2024. The author confirmed this article’s proof on 26 April 2024 without any questions. But on 22 May 2024, the authors contacted the editorial office to state that the name of the first author is mis-spelled as “Xi-Peng Liu”. Hence the mis-spelled name “Xi-Peng Liu” is corrected as “Peng-Xi Liu”. “Peng-Xi Liu” is the first author of this article.
